Principals Message
Welcome to week 7 of term 4. I came back last week and hit the ground running—literally! Shaun and I had a lovely trip to the States and Mexico for 3 weeks. He completed the Miami Ironman in 6 hours and 48 minutes (after the 6 hour mark I thought he may have had a heart attack somewhere on the track!) which I was extremely proud of! It was tough conditions on the day and very humid. It was nice to come home though as I started missing the students around the end of week 2.

Thank you to Jeanette Parkes who did a wonderful job of looking after the staff and the students whilst I was away.

Yesterday we have a school peer review. Tungamah Primary School and the whole Tungamah community should be extremely proud of how well our school is going in all areas: student welfare, student data, parent opinion survey results and NAPLAN growth in both grades 3 and 5. After the review report has taken place, I will be celebrating and sharing with the whole community our successes, achievements and also start to set up our school strategic plan for the next four years. Well done Team Tungamah!

Septic Works
Tungamah PS has been running its toilets via a septic system and we are updating this system to the town sewerage. These works have been approved by the Department of Education and will be happening as soon as possible. There will be 4 port a loos at school whilst this is happening. We are hoping this will be a quick hook up and have the toilets running back to normal as soon as possible. Please come and speak to Christine if you have any concerns regarding this matter.

School Concert Night
This will be happening on Thursday 10th December. We are asking families to donate to the hamper to be raffled off on the night.

Pool Opening
We are planning to have the pool opened during the 5th/6th of December weekend to the community. It has been cleaned and is getting filled this weekend. We thank Greg Bye for getting this organised.
TUNGA KIDS ARE FRIENDLY KIDS:
Term 4
Responsibility
Week 1—Doing your best
Week 2—Setting goals
Week 3—Who can help me?
Week 4—Consequences
Week 5—Rights
Week 6—Seeing it through
Week 7—Fixing things up
Week 8—Having a go
Week 9—Leadership
Week 10—Being positive
Week 11—CELEBRATE

Tungamah Kids are Friendly Kids
Awards
This week's winners for the Tungamah Kids are Friendly Kids - ‘Fixing things up’ are:
Prep - Grade 2: Russell
3 - 6: Geoffrey
Bucket Filler: Geoffrey; for always being super friendly to his peers.

With the weather getting warmer please ensure that your child is bringing a drink bottle and hat to school eat day. Sunscreen is also provided as extra protection against the hot sun.

Junior school council have chook eggs for sale. These are selling for $3.50 a carton. If you would like some eggs feel free to drop into

Friday the 27th of November is a casual clothes day for the students. This is a fundraiser that is organised by the parents club committee. If students wish to wear casual clothes on this day please bring along a gold coin donation.

What's happening around the school P-6

The prep to grade 6 students have been working very hard preparing for their school concert at the end of the term. They have been working together to make crocodiles for the younger students to use during one of their performances. We are excited to see all their hard work come together at the school concert!

The grade 3 to 6 students have been taking part in cooking lessons. Students are given the opportunity to research recipes and meal ideas to cook. So far this term we have made scones, orange biscuits, lemon slice, pesto and bacon pasta and garlic bread. The students really seem to be enjoying these experiences and we hope to continue this until the end of the term.

Once we have cooked, students type up their recipes and add them to their individual Tungamah Primary School cook books.

Each Monday all students are taking part in a cricket clinic. Every Friday students are also taking part in an AFL clinic. The students are loving these and they are learning great skill along the way!

TOWN GARAGE SALES
Any persons interested in having a combined TOWN GARAGE SALE,
on 21st November, 2015
Phone Marg 0409686819
Duffy 0427786186
AS SOON AS POSSIBLE to organise advertising, etc.
A great way to make some extra cash for "Christmas" and to move some unwanted treasures.
The more the merrier.
