Principals Message

We have only 20 more days of school left for term 3! I am only aware of this number as Miss Halligan keeps reminding me of the days until her wedding on Saturday 19th of September! We wish her all of the best for this special day!

There have been many sick students and staff recently, so I would like to remind everyone to rest up if they are not feeling 100% and take it easy! To those who are still not able to come to school, I hope you are feeling better soon!

National Book Week

This week is National Book Week and we are celebrating this with an author study in both grades and also a character dress up day on Friday 28th August. All students, staff and parents are invited to come along, dress up and participate in a fun day on Friday.

School Council Approval

Recently, we have had

some feedback regarding fundraisers and the processes around this. At TPS we have two sub committee groups that parents and members of the community are able to join. These sub committees

are Parents Club and the Swimming Pool. Sub Committees make recommendations to School Council for any fundraising or projects they would like to do. This recommendation must be put and made a motion to School Council and endorsed for any fundraising activity to occur. We truly appreciate any fundraising for our school but it must follow a process.

School Review Surveys

Please fill in and return these surveys by Friday 28th August 2015.

2015 Athletics Carnival

Will be on Friday 11th September 2015 in Benalla. The Australian Christian College will run a BBQ

lunch at the aths this year. To make catering a bit easier, they have sent us order forms for families who would like to purchase lunch. If you would like to order lunch, please return the form back to school by 4th September.

What's happening around the school P-6

This week we are off to the Kinder on Thursday to see the Kindie Kids! We are trying to get at least 3-4 visits per term in, not only for the kinder children who are coming up to Tungamah Primary School next year, but also for our Foundation/grade 1 and 2 students who still miss their friends and siblings there (I also secretly think the gr3-6 students enjoy going back to visit also!).

Later this term we are going to the Wangaratta Traffic School with the Kinder children to revisit the concepts of road safety and how to keep safe when crossing roads.

Also this week, we are celebrating National Book Week with an author study and also a dress up as your 'favourite book character day' on Friday with the whole school. We will be having a parade at 9am in the morning to see all of the wonderful costumes! All parents and friends are welcome to come along and also are welcome to participate if they like.

I would like to thank Tanya Boak and Briony Dickins who have been assisting with our morning reading groups. I very much appreciate any support in the classroom with listening to the students read and helping them with the Just Right Books. Thank you ladies!

Athletics Training Photos

The students have been training very hard for the upcoming school sports day in Benalla.
